IMMIGRATION REFORM AND CONTROL ACT OF 1986

Dixie Lawn Service, Inc. is committed to full compliance with the federal immigration laws and will not knowingly hire or continue to employ anyone who does not have the legal right to work in the United States. As an ongoing condition of employment, you will be required to provide documentation verifying your identity and legal authority to work in the United States. Each new employee must complete an Employment Eligibility Verification Form (Form I-9) and present documents that establish identity and employment eligibility. Former employees who are rehired must also complete the form if they have not completed a Form I-9 within the prior three (3) years, or if their previous Form I-9 is no longer valid, and/or has not been retained by the Company.

Employees with questions or seeking more information on immigration law issues are encouraged to contact their immediate supervisor. Employees may raise questions or complaints about immigration law compliance without fear of reprisal.

AMERICANS WITH DISABILITIES ACT (ADA)

Title I of the Americans with Disabilities Act prohibits discrimination in any terms or conditions of employment for qualified individuals with a disability.

The Americans with Disabilities Act requires that employment decisions be based on the ability of a person to perform the essential functions of a job and not the person's disability or limitations.

Further, it requires management to reasonably accommodate individuals with disabilities when necessary.

To comply with the employment provisions of the Americans with Disabilities Act, Dixie Lawn Service, Inc. will do the following:

- Identify the essential functions of a job;
- Determine whether a person with a disability, with or without accommodation, is qualified to perform the duties; and determine whether a reasonable accommodation can be made for a qualified individual.

These same guidelines, and the letter and spirit of the law, will be included when considering employees of the Company for promotion (See the Section on "*Promotion.*").

All employees are required to treat each other and all Dixie Lawn Service, Inc. clients, subcontractors, vendors, fellow tradesmen, and all other business associates with respect and dignity, without any reference to any actual or potential disabilities.

SECTION II: PERSONNEL STATUS

EMPLOYMENT CLASSIFICATIONS

Introductory Period: All personnel hired by Dixie Lawn Service, Inc. will start off in a minimum 60-day Introductory Period. While classified in this status you are not eligible for any company benefits, unless required by law. The Introductory Period is a time for the Company to get to know its employees and their capabilities. It is also a time for you to get to know the Company and your job tasks and /or duties. Throughout this period we will be evaluating each other. At any point in time during this Introductory Period, the Company or you may decide to terminate the relationship. At the end of the period, your immediate supervisor will conduct a performance evaluation interview with you and will determine your status with Dixie Lawn Service, Inc. This period may be extended beyond the initial 60-day period discussed above. However, throughout this period you are encouraged to discuss your performance and ask questions of your immediate supervisor regarding all tasks and duties assigned to you.

Part-Time Employees: Employees scheduled to work less than 40 hours per week. If the position or job function is to be part-time, you will be notified at the time of your hiring.

Seasonal Employees: Employees in non-supervisory, field positions. The length of time that any individual will be needed is dependent on the work volume and specific projects that are performed.

Temporary Employees: Employees hired on a temporary basis. This may include the hiring of some individuals during the summer months. It may also include using temporary employment agencies to obtain this additional, short term, help that the Company requires.

Hourly: These positions have an hourly wage rate. The individuals in these positions are paid for the actual hours they worked during the pay period. However, under federal law these individuals are paid time-and-a-half for all hours worked above 40 hours in a given pay period.

Employment of Minors: The Company will not knowingly hire any individual who is considered to be under age for employment in any job classification as defined by State and federal laws. Generally speaking, this is 18 years of age to operate equipment and/or vehicles and 16 years of age for other positions.

DIXIE LAWN SERVICE, INC.
EMPLOYEE HANDBOOK – FIELD PERSONNEL

TARDINESS AND ABSENCE

You are part of a team. In most circumstances, the progress and productivity of the job depends on each of its team members acting together. Therefore, it is important that employees work their assigned schedules as consistently as possible. However, Dixie Lawn Service, Inc. understands that because of illness or emergency situations you may be unable to come to work.

If you are unable to report to work for any reason, you must call in to your immediate supervisor **before** your scheduled time of arrival with the following information:

- If you will be late, you must state why and when you expect to be in.
- If you will be absent, you must state why and how long you expect to be out.

If your immediate supervisor has a cell phone, you **must** call that individual directly. It is your responsibility to keep the Company informed on a **daily** basis during a short-term absence.

If you are absent more than three (3) consecutive days, or any three (3) days within a week (seven calendar days), the Company may require you to provide a medical release stating that you are physically able to return to work.

Except in the case of an emergency, employees must have their supervisor's permission to leave work before they are regularly scheduled to do so.

Being late (tardy) or absent is considered "excused" only when you call promptly **and** the tardy or absence is for a compelling reason. The Company reserves the right, at its sole discretion, to determine what constitutes a compelling reason. A tardy or absence for a non-compelling reason, and failing to call in according to company policy, will be considered "unexcused."

Furthermore, the Company recognizes that certain emergency situations would prevent you from giving advance notice. The Company will apply "the rule of reason" to all such situations. Dixie Lawn Service, Inc. considers "unexcused" tardiness and absence to be a serious problem. Consequently, employees who are tardy or absent excessively or show a consistent pattern of absence, whether "excused" or "unexcused," may be subject to disciplinary action, up to and including, possible termination.

If you are late for work, or you are absent without an acceptable excuse, more than three (3) times within a year's period (based on the date of the first occurrence), you will be subject to disciplinary action, up to and including, possible termination.

If you do not call in and do not report to work for three (3) consecutive workdays, the Company will consider this to be a voluntarily resignation.

PERSONNEL RECORDS

The task of handling personnel records and related personnel administrative functions at Dixie Lawn Service, Inc. has been assigned to the Accounting Department. The next step is to ask your immediate supervisor. Then, if further information is required, your immediate supervisor will arrange for you to talk directly with someone in the Accounting Department.

There is a Personnel File for each employee. It is critical that this file be maintained current with regard to pay, payroll deductions, benefits, Health Insurance, and other matters. If you have a change in any of the following items, please be certain to notify your immediate supervisor, who will then notify the Accounting Department:

Upon request, you will be allowed to review any personnel records that have been used to determine your qualifications for employment, promotion, compensation, termination, or other disciplinary action. All requests to view your personnel file must be made in writing and at least 72 hours in advance. This time period allows for the Accounting Department to prepare copies and mail them to your County Supervisor or to have the Area Supervisor bring the file to you. Someone from management will be with you while you examine your file. Please contact your immediate supervisor for more information.

EMPLOYEE HANDBOOK – FIELD PERSONNEL

LEAVES OF ABSENCE

In general, a Leave of Absence is an official authorization to be absent from work *without pay* for a specified period of time. Dixie Lawn Service, Inc. makes Leaves of Absence available to employees on the following basis:

Family and Medical Leave Act of 1993 – eligible employees may be entitled to job-protected family or medical Leaves of Absence if they have a serious health condition that makes them unable to perform the basic functions of their position, as defined in the Job Description for that position. Or, they are unable to come to work as a result of family or medical concerns/issues as described under the law.

This policy shall be administered in accordance with all applicable federal, State, and local laws.

1. To be eligible for family or medical leave benefits, you must (a.) have worked for the Company for a total of at least 12 months; and (b.) have worked at least 1,250 hours over the previous 12 months.
2. Each eligible employee shall have up to a total of 12 weeks of leave during any one-year period – based upon the end date of any previous Leave of Absence.
3. A Family and Medical Leave shall be granted for the birth or adoption of a child of the employee, or upon a serious illness of the employee, the employee's spouse, child, or parent.
4. Whenever possible, all such leaves must be requested in advance. Failure to provide advance notice may delay your right to this type of Leave of Absence.
5. All requests for leave must be documented, in advance whenever possible. In an emergency, the Leave of Absence may be granted on a "conditional" basis pending the necessary documentation. Should the Company have reason to doubt the validity of the documentation, it will require that the employee obtain a second opinion from a Health Care Provider approved or designated by the Company. In the event of conflicting opinions, the Company may require a third opinion. The Health Care Provider to supply the third opinion must be jointly approved by the Company and the employee. The opinion of this third opinion will be considered as final and binding.
6. When medically necessary, a medical leave may be taken intermittently or as a reduced work schedule. In such cases, the Company may require the employee to temporarily transfer to an available alternative position, which better accommodates recurring periods of absence or on a part-time schedule. In this case, you will continue to receive your regular rate of compensation.
7. In the event of a serious illness to the employee, you will be required to provide medical documentation that you are able to return to work and resume your tasks and duties. If possible, the Company will consider a "limited" return in terms of both hours worked and duties assigned.
8. Upon completion of the Leave of Absence, you will be reinstated to either your

DIXIE LAWN SERVICE, INC.
EMPLOYEE HANDBOOK – FIELD PERSONNEL

original position or an equivalent position at the same rate of compensation.

However, if the employee on the medical leave is a salaried employee who is among the highest paid 10% of Company employees within a 75 mile radius of the Main Office, and keeping the job/position open for the employee would result in substantial economic injury to the Company, re-instatement may be denied in accordance with the Family and Medical Leave Act of 1993.

9. If, because of medical concerns, you are no longer able to perform your original job function, the Company will make every effort to assign you to a position that you can perform. However, this is not guaranteed.
10. While on a Leave of Absence of this nature, the Company will continue to pay the employer's share of premiums for your health insurance. If you would like to continue your health insurance during your leave, you must continue to pay the employee's share of the premiums. The coverage will remain in effect for the duration of your Family and Medical Leave or until such a time as you are 30 days delinquent in payment of your share of the premium cost. If you are delinquent in paying your premiums, the Company will send you a notice of delinquency at least 15 days before your benefits are terminated. During your Family and Medical Leave, you will be billed for all amounts which are normally deducted from your paycheck for any benefits plans you would like to maintain during your leave.

Parental Leave

North Carolina has adopted a state "School Leave Law" pertaining to all North Carolina employers.

Employers shall grant four (4) hours per year leave to any employee who is a parent, guardian, or person standing in loco parentis of a school-aged child so that the employee may attend or otherwise be involved at that child's school. However, any leave under this section is subject to the following conditions:

1. The leave shall be at a mutually agreed upon time between the employer and the employee.
2. The employer may require an employee to provide the employer with a written request for the leave at least 48 hours before the time desired for the leave.

The employer may require that the employee furnish written verification from the child's school that the employee attended or was otherwise involved at that school during the time of the leave.

SECTION III: BENEFITS

REQUESTS FOR TIME OFF

The Company will consider all requests for time off by employees on an individual, or case-by-case, basis. These will be granted based under the following conditions:

- **Length of Service Requirements.** Except for those situations mandated by governmental rules, regulations, and laws, you must have completed your 60-Day Introductory Period before the company will consider any such requests.
- **Workload requirements.** In some cases, the Company may need all of its employees on projects or at their jobs during any given period of time.
- **Blackout periods.** During the course of the year they may be certain periods when no requests for time off will be granted. These may vary by department. The company will announce these times in advance. These “blackout” times will also be posted on the Company Bulletin Board.
- **Limits on the number of requests granted.** Because of the Company’s workload/requirements, at certain points in time only a limited number of employees in a given position or in a department may be granted these requests at one time. Therefore, these requests for time off will be granted on a “first come, first served” basis.

NOTE: In all of the above cases, only emergency situations will be considered as an exception. Dixie Lawn Service, Inc. retains the right to determine what is an “emergency situation.”

All cases of time off granted under these guidelines are without pay.

Except for emergency situations, all requests for time off must be submitted to your immediate supervisor for approval at least two (2) weeks in advance.

Requests for time off **cannot** be made “after the fact.” In other words, they must be approved in advance. If you are absent from work without a request being approved, it will be considered as an unexcused absence and subject to disciplinary action that are detailed later in this *Employee Handbook* (See the Section on “*Tardiness and Absence.*”).

See your immediate supervisor to obtain a copy of Dixie Lawn Service’s “Request for Time Off” Form. This form must be completed and processed through the Company’s chain of command in order to be approved or denied.

- Medical care, including medicine, hospital, doctor, X-rays, crutches, etc.;
- Rehabilitation services, if necessary.

It is important that you ***IMMEDIATELY*** report any work-related injury or illness to your immediate supervisor as soon as it happens, regardless of how minor it may appear to be at the time. It is even more important that you get proper first aid and/or medical attention immediately (See the Section on “*Injuries/Accidents.*”). Failure to appropriately report an accident or injury may affect claims and benefits. Our Workers' Compensation Insurance Carrier requires a drug screen to be completed for all injuries requiring medical attention.

Dixie Lawn Service, Inc. is ***NOT*** responsible for Workers' Compensation Insurance claims for any injury or illness which arises out of an employee's voluntary participation in an off-duty recreational, social, or athletic activity which is not part of the employee's work-related duties.

SOCIAL SECURITY

All employees are automatically covered under the provisions of the federal Social Security law at the time that they are hired. Social Security benefits are intended as part of your and your family's retirement income and they also provide for disability and survivor's benefits. Dixie Lawn Service, Inc. matches the amount of the deduction from your wages (paycheck) for Social Security taxes. The amount deducted from your weekly pay is clearly stated on your pay stub. The total by your deductions and Dixie Lawn Service, Inc.'s contribution is credited to your Social Security account. Detailed information about your Social Security benefits can be obtained from the Social Security Administration.

UNEMPLOYMENT INSURANCE

All employees are automatically covered under the provisions of State and federal unemployment insurance laws at the time that they are hired. Dixie Lawn Service, Inc. pays unemployment insurance taxes on your behalf to both the State and Federal governments. These taxes fund the payment of unemployment insurance benefits to you should you become eligible to receive them. To determine your eligibility for collecting unemployment and for additional information about unemployment insurance benefits, contact your state's Unemployment Department.

401(k) SAVINGS PLAN

Your eligibility for participating in the 401(k) Savings plan is determined by the requirements of the plan. These requirements may be amended from time to time. Please contact your supervisor or the Payroll Department for further information.

MEAL PERIODS

All hourly employees who work more than six (6) hours in a given workday will receive an unpaid meal period of 30 minutes. In the field, it is up to you to determine the exact time of this break. You should consider your current location and the time it would take to get to a convenient spot for taking your meal break. Consequently, there is no exact time for taking your meal break on a daily basis. 30 minutes per day will be subtracted from your time sheet.

Employees who do not work more than six (6) hours in a workday may not take a meal break without the expressed approval of their immediate supervisor.

You are expected to be back at work within 30 minutes after you left for the start of your meal period. Leaving early and/or returning late is considered a serious offense and will lead to disciplinary action, up to and including, possible termination.

SECTION IV: COMPENSATION

WAGE and SALARY REVIEWS

Wage and Salary increases are based upon **performance** only. Your length of service with the company has nothing to do with being granted a wage or salary increase.

Dixie Lawn Service, Inc. considers your pay rate, salary, and/or your total compensation package to be highly confidential information. Under no circumstances should any part of your compensation package be discussed with anyone but your immediate supervisor, the Payroll Clerk, the Office Manager, the Controller, and the President. Violation of this policy is considered to be a very serious matter and may subject you to disciplinary action, up to and including, possible termination.

WAGE ASSIGNMENTS or GARNISHMENTS

On occasion, employees may have Wage Assignments or Garnishments filed against them. These are legal documents and **require** that Dixie Lawn Service, Inc. deduct a certain amount from your weekly paychecks.

The Company will inform you regarding any such Garnishments against your wages as soon as possible after they have been received and processed in the Accounting Department. You will be provided with copies of any documentation that is given to the Company.

If you disagree with the Garnishment, then it is your responsibility to handle this matter with the appropriate court and/or institution. The Company has no say whatsoever on these issues. They are strictly legal requirements with which the Company **must** comply by law.

For each assignment or garnishment, the employee will be assessed an Administrative Fee of \$3.00 per transaction.

PAY DAY and PAY PERIODS

Pay Days for all salaried and hourly personnel are Fridays. In the event that Friday is a Holiday, you will receive your paycheck on Thursday.

The Pay Period runs from Sunday through Saturday for the previous week. This means that if the Saturday that marks the end of the pay period is the 10th of the month, then you will receive your pay check on the following Friday, which would be the 16th of the month.

No paychecks will be provided to an employee prior to that Friday.

For Right-of-Way mowing employees, all paychecks are mailed (via US Postal Service) to your home address and will be postmarked by Wednesday. This will allow time for you to receive your paycheck on Friday. However, once the Company places your check in the mail, it cannot guarantee the exact delivery date. If you do not receive your paycheck by Monday, contact the Accounting Department.

For Lawn Service employees, paychecks may be picked up at the Main Office at the end of the workday. Or, the manager of Lawn Service may bring paychecks to the job site. If you are not at work for any reason on Pay Day, the Company will mail your check to you, postmarked on Friday. Only if you specifically request it will the Company hold your paycheck until the next business day. If you desire to have someone pick up your paycheck for you, then it is your responsibility to inform the Accounting Department **NO LATER** than 5 p.m. on the day prior to the checks being issued. In addition, you must inform the office of the name of the individual you are authorizing to receive your paycheck. Before the Accounting Department can release your check to the authorized individual, the authorized individual must provide proof of his/her identity and sign a document accepting the check. If you do not inform the office in advance, your check will **NOT** be given to anyone else.

PAYROLL DEDUCTIONS

You are probably familiar with the various payroll deductions that are required by law, such as federal income tax, state income tax, and social security taxes, etc. Other than court ordered Garnishments (See Section on “*Wage Assignment and Garnishments.*”), you must authorize the Accounting Department about any other deductions that should be taken from your paycheck, in writing.

Each one of your paycheck stubs will itemize the amounts that have been withheld or deducted. It is important that you keep this information for tax purposes. If you have any questions about your deductions, please talk to your immediate supervisor.

OVERTIME

From time to time, you may be asked to work beyond your normally scheduled hours or on a regularly scheduled day off. You are expected to be available to work a reasonable amount of overtime, according to the needs of Dixie Lawn Service, Inc.

When hourly personnel are required to work overtime, they will receive premium pay (time and one-half for hours over 40 in the pay period), if applicable, in accordance with State and federal laws.

Hourly employees must obtain permission from their immediate supervisor before working more than eight (8) hours in any day or forty (40) hours in any give pay period. Employees who work overtime that has not been authorized in advance by their immediate supervisor may be subject to disciplinary action, up to and including, possible termination.

PERFORMANCE EVALUATIONS

All Field employees will receive a written performance evaluation annually, based on their anniversary dates. They may be provided more frequently. New employees will receive a written performance evaluation at the conclusion of their 60-day Introductory Period.

The purpose of the performance evaluation is to let you know how well you are doing. Written performance evaluations may include commendation for good work, as well as specific recommendations for improvement.

You will have the opportunity to discuss your performance evaluation with your immediate supervisor. This is a good time to ask questions and to clarify important points. Performance evaluations help Dixie Lawn Service, Inc. make important decisions about job placement, training and development, and pay increases. A satisfactory performance evaluation does **not** guarantee a salary increase nor does it alter, modify, or amend the at-will employment relationship between you and Dixie Lawn Service, Inc.

JOB DESCRIPTIONS

All Company employees will be provided with either a copy of the *Job Description* or *Task and Duty List* whichever is applicable to their position or job title. The *Job Description* or the *Task and Duty List* summarize your duties and responsibilities and gives you important information about your new job. Please read and study your *Job Description* or *Task and Duty List* carefully and discuss it with your immediate supervisor if you have any questions. You will be required to sign the *Job Description* or *Task and Duty List* as part of your consideration for continued employment.

Current employees will also be provided a copy, which they are required to read and sign, as a condition of continued employment. The original will be maintained in your personnel file. Dixie Lawn Service, Inc. reserves the right to revise and update any and all *Job Descriptions* and/or *Task and Duty Lists* for all positions in the Company from time to time, as it alone deems necessary and appropriate.

See your immediate supervisor for a copy of your *Job Description* or *Task and Duty List*.

If a position is listed as being “open,” you can have access to that *Job Description* to help determine whether or not you are qualified to apply for that opening or position.
